

## User Guide: Japan (+81)

### Making calls:

#### • Local calls:

Dial the number as locals give them to you.

*Example: Calling +81 (0) 3 1234 5678 a local number in Tokyo, you should dial 0 3 1234 5678*

#### International calls:

- 1. Dial 003250 + country code + area code + phone number

*Example: Calling (302) 228 6399, a number in North America, dial 003250 1 302 228 6399*

*Calling 067415 4940 a number in France, dial 003250 33 67415 4940*

**Note: International calls made without the 003250 access code will be charged at higher rates.**

### Receiving calls:

1. People from the US must dial:  
011 81-80-XXXX-XXXX
2. People from Japan must dial 0-80-XXXX-XXXX
3. People from other countries must dial their international access code, then 81-80-XXXX-XXXX

*Example:*

*from France 00 81-80-XXXX-XXXX*

*from Singapore 001 81-80-XXXX-XXXX*

### Voice Mail Retrieval:

*To retrieve messages while in Japan.*

- Enter the Phonebook and select "Voicemail Japan" and press the <Send Key>

Messages will play automatically, starting with the most recent message first.

*Note: the minutes you spend retrieving your messages while in Japan are billed as national phone calls.*

### Roaming

Since Japanese phones use a different technology than most countries, it's probable that your cell phone will not work outside of Japan.

*Roaming internationally will incur normal international roaming charges for voice call and data services.*
